Silencio, guardad silencio		Let all mortal flesh keep silence

Con temor y trémulo		And with fear and trembling stand	
REM	FA	DM	F
Guardad vuestro pensamiento		Ponder nothing earthly minded	
S ^b	LASUS ⁴ LA	B ^b	ASUS ⁴ A
De lo bajo y terrenal		For with blessing in His hand	
REM	DO ² S ^b LASUS ⁴	DM	C ² B ^b ASUS ⁴
Pues con bendición del cielo el Señor		Christ our God to Earth descendeth	
REM	DO ² DO REM	DM	C ² C DM
Desciende por nuestro don		Our full homage to demand	
Nacido de María virgen		King of kings yet born of Mary	
Rey de reyes inmortal		As of old on Earth He stood	
El Señor de los señores		Lord of lords in human vesture	
Con atuendo de mortal		In the body and the blood	
De Sus fieles El manjar será		He will give to all the faithful	
Cuerpo y sangre les dará		His own self for heavenly food	
Uno a uno cada coro		Rank on rank the hosts of Heaven	
Trono y dominación		Spreads its vanguard on the way	
Ríndese abriendo paso		As the Light of light descendeth	
Pues descende en Señor		From the realms of endless day	
Para fulminar el poderío del mal		That the powers of hell may vanish	
Como el día a la oscuridad		As the darkness clears away	
A Sus pies los serafines		At His feet the six-winged seraph	
Cantan loores sin cesar		Cherubim with sleepless eye	
Velando su pobre vista		Veil their faces to His presence	
De Su excelsa majestad		As with ceaseless voice they cry	
Canta alelu, aleluya		Alleluia, alleluia	
Aleluya al Señor		Alleluia Lord most high
